Professional Summary

Results-driven QA Automation Engineer with 12.8 years of overall experience, including 8 years of focused expertise in Python automation, test framework design, and end-to-end quality engineering. Adept at building scalable, maintainable, and modular test automation solutions using Python, with strong proficiency in frameworks like Pytest, BDD (Behavior-Driven Development), and Robot Framework. Extensive experience in web and API automation using tools like Playwright, Selenium, Postman, and Pytest, and integrating them into robust CI/CD pipelines using Jenkins and Azure DevOps for continuous testing and faster feedback cycles. Well-versed in Tosca automation, leveraging its model-based testing capabilities to reduce test design time and ensure high-risk coverage. Skilled in aligning Tosca workflows with enterprise automation strategies. Hands-on experience with cloud technologies such as AWS and version control systems including Git, GitHub, and Azure DevOps. Recognized for delivering high-quality automation solutions for ABB, Cisco, Verifone, and Chetwood Bank (UK). Adept at collaborating with cross-functional teams, translating business needs into test automation, and driving QA transformation initiatives across agile environments.

Work Experience

Quinnox (Chetwood Project)

Nov 2024 - March 2025

Role: Manager

- Developed and maintained automation frameworks using Playwright and Python.
- Automated REST API tests using Python requests and Postman.
- Integrated automation into CI/CD pipelines using Jenkins.
- Worked with AWS services: CloudWatch, DynamoDB, S3.
- Handled UI & API automation using Playwright, Pytest, and reporting tools.
- Created automation for Refund Rejection Notification workflows.
- Coordinated with client teams to review test cases and improve coverage.

Andortech (Shell Client)

Oct 2022 - Aug 2024

Role: QA Automation Engineer

Utthunga Technologies (ABB Client)

Nov 2020 - Sep 2022

Role: QA Analyst

Velankani (Cisco Client)

May 2020 - Nov 2020

Role: QA Engineer

Wipro (Verifone)

Apr 2019 - Dec 2019

Role: Test Engineer

Mindtree (Southwest Airlines)

Aug 2011 - Jul 2018

Role: Software Engineer
